Many years of trial, instead of impairing the public confidence in this medicine, has won for it an appreciation and notoriety by far exceeding the at sanguine expectations of its friends. Nothing but its intrinsic virtues and the unmistakable benefit conferred on thousands of sufferers, could originate and maintain the reputation it copus. While many inferior remedies thrust upon the community, have failed and been discored, this has gainee friends by every trial, conferred benefits n the afficied they can never forget, and produced cures oo admerous and ico remarkable to

time makes these facts wider and better known, this medicine has gradually become the the best reliance of the afflicted, from the log cal-in of the American Pessant, to the Palacos of Unropean Kings. Throughout this entire country, in every State, city, and indeed in almost every hamlet it contains, CHURRY PECTORAL is known as the best remedy extent for diseases of the Threat and Lungs, and in many forein countries, it is coming to be extensively used by their most intelligent physicians. In Great Britain, France and Germany, where the medical sciences have reached their highest perfection, CHERRY PECCOR-at is introduced, and in constant use in the arm-Hospitals, Alms Houses, Public Institutions, and in domestic practice, as the surest remedy their attendins can employ for the mere dangerous affections of the lungs. Also in milder cases, and for children it is safe, pleasant and effectual to cure. In fact, some of the most flattering testimonials we receive have been from parents who have found it efficacious in cases particularly incidental to childhood.

To those who have been afflicted for years, and

have tried every body, (as they say,) we would call their attention to this advertisement. We don't pretend that all diseases in all stages can be cured, yet there is a curable stage to all diseases and a great many can be cured after they have been prenounced incurable by many; and others relieved so as to be comfortable and enjoy life. It is unnecessary eere to enumerate all the diseases which flesh is heir to, and piant out the crable stage of each, but call and we will tell you, without any charge, whether your particular case can be cured Especial attention will be paid to Females who

BUCKLAND & Co. have just received. S. BUCKLAND & CO. have just received a very large lot of Drugs, Paints, Oils, Dye Stuffs, Gluss, Gluss-ware, Perfumery, &c., which they would earnestly solicit those wishing anything

in the line to call and examine before purchasing elsewhere, as we think it will be very much to their advantage to do so, for we pledge ourselves to sell AS GOOD ARTICLES! as can be bought in the Eastern markets at as low a price as our neighbors ask for a poor article. Having been for ten years in the Daug Business in this place, we think we know something of the wants of its inhabitants, and while we would return our thanks for the very liberal patronage we have

money in Good Goods. We do not think it necessary to enumerate our articles, northe quantity we have, (or have not,) of each article. Suffice it to say we have a

COMPLETE ASSORTMENT! and enough of each to supply alldemands, andample arrangementate buy more.
We would ask Physicians to call and examine our Drugs and Prices before going to Tiffin city, Sandusky city, or elsewhere, as we do know that we can sell as cheap as any of them, and we are bound to do it any how.
